The online banking look has been updated.

Below highlights some of the changes you can expect to see.

**NEW HEADER GRAPHICS**

New graphics will appear in the upper right corner on every page.

![Icon 1](image1.png) ![Icon 2](image2.png) ![Icon 3](image3.png)

Use the ![Icon 4](image4.png) to access Secure Messages. The red dot indicates the number of unread messages in your Inbox.

Use the ![Icon 5](image5.png) to make changes to your Logon ID, Security Code, Challenge Questions or Security Phrase.

Use the ![Icon 6](image6.png) to access Preferences, make changes to your demographic information or manage your accounts.
NEW TILE LOOK

Use the toggle to switch back to a List View

In Preferences, choose up to 5 accounts to display in your Favorite Accounts.

The tiles may be expanded or collapsed by using the + or -. Expand the tile to see additional details for each account. Clicking on an account will take you to the history page for that account.

PREFERENCES

Use the icon at the top of the page to access Preferences. The Preferences page has various options that can be set to customize your defaults. Below are some additional preferences that have been added with this new look.

![General Settings](image1)

The new Tile view will be the default but if you prefer the list view, that default can be changed here.

![Overview Modules](image2)

There can be up to 7 different modules on the Overview page. If there are modules you don’t wish to see, those can be removed by unchecking them here.

![Favorite Accounts](image3)

Choose the accounts here that you wish to see in the Balances module on the Overview and in the Favorite Accounts tile.
