

Dear Valued Member,

We’re excited to share that the merger with Fortera Credit Union is now official! Thank you to everyone who took the time to vote on the merger. Your vote was a key piece in the merger process.

Over the coming months, you can look forward to announcements on new products, tools and services all designed to support the financial well-being of Vanderbilt Credit Union members. Your accounts will remain unchanged for now. As we schedule any system conversions or integrations, we’ll keep you informed about what to expect and when.

Thank you for being part of this next chapter with us. We’re honored to serve you and are excited for what’s ahead.

Sincerely,
Vanderbilt Credit Union

Better Together.
